NEW AIRCRAFT TYPE IN SKYTAXI FLEET

WROCLAW, POLAND 2018

SkyTaxi Ltd. is a Polish airline offering charter and ACMI services. The company was established in April 2000 and since then has been provided hundreds of passengers and freight operations.

The SkyTaxi fleet consists of two SAAB 340 aircraft. Airline holds worldwide AOC, unlimited Operational License and has own PART-145 maintenance organization. It allows to accommodate any type of aircraft in any operational scenarios.

As a result of company growth and cargo market demand SkyTaxi is going to introduce new aircraft type into the fleet – Boeing 767 freighter. Flight operations are expected to start by the end of October 2018.
