 Kruger Mpumalanga International Airport - the gateway to Mpumalanga, with domestic and international flights daily.

 KMI Airport Conference Centre has three modern venues, with a variety of seating arrangements, catering options and tailor-made packages.

 Mix business with pleasure. Browse through a variety of shops and enjoy a front row seat at one of our restaurants or bars overlooking the runway.

Arguably one of the most attractive airports in the world, the **Kruger Mpumalanga International Airport**, or **KMI Airport** as it is commonly known, is the official international port of entry into Mpumalanga which is home to the world's most iconic game reserve, the Kruger National Park. This ICAO approved International Airport boasts a pristine runway of 3.1km which can accommodate up to a Boeing 737 – 747 or Airbus series aircraft. Since commencing business operations on the 21st of October 2002 to date, KMI Airport has opened up the skies for over 3 million passengers, affording expanded opportunities to the tourism and business industries of the province. The terminal building, constructed as an African theme all under thatch has a total floor space of 7350 square meters, making this the largest thatch constructed airport in the world, a true architectural masterpiece. The unique aesthetics and decor of the building blend in with the surrounding bushveld, which has become a favourite landmark among passengers visiting the Kruger Lowveld.

## ABOUT MPUMALANGA

Mpumalanga, meaning 'the land of the rising sun' to its SiSwati and Zulu speaking inhabitants, extends east from Gauteng to Mozambique and Swaziland. To many visitors the province is synonymous with the Kruger National Park, on its eastern flank. As well as being big game country, Mpumalanga has some stunning scenery in the mountainous area known as the Escarpment, a couple of hours' drive west of the Kruger Park. There are some legendary stunning views where the mountains drop to the Lowveld. The most famous are – God's Window, Bourke's Luck Potholes, Blyde River Canyon and the Three Rondavels.
